METES & BOUNDS, Baker, FL

If you are looking for peace and tranquility look no farther. This home is tucked away on just under 10 acres providing plenty of room for future livestock/garden space or any other future hobbies you may have. One of my favorite features is the flowing stream with a beautiful sandy white bottom. The home itself feature I nice open living concept with plenty of kitchen and living space that is perfect for family and friend gatherings. With some love, hardwork, and a few great ideas you could turn this house into a home.
