Buy with peace of mind with the interior and exterior freshly painted! This is a true concrete stucco home, not the cheap eifs stucco! Step inside to all tile flooring throughout (no carpet), an updated kitchen with Quartz countertops, newer cabinets, and stainless steel appliances. Need extra storage? The owner has installed upper cabinets in the adjacent laundry room, doubling your cabinet count! The living room has soaring 12 foot ceilings and is filled with natural light! The split bedroom floor-plan is ideal for any buyer, with two bedrooms and a bathroom down the hallway, and the primary off the dining area with its own en-suite with a double vanity, oversized soaking tub/shower combo, linen closet, and walk in closet. Step out back on your covered patio overlooking the serene stocked fishing pond! Wildlife abounds daily with deer, cranes, turtles, rabbits, herons, and more (but NO, alligators are not present haha!). The owners have planted so many perennials and fruit trees to ensure year round blooming in your back yard oasis. Driftwood Park is just across the street for your evening stroll along the walking path, pickle ball, tennis, playground, soccer/baseball fields, and more! The social committee in the neighborhood is

always planning a fantastic community event at the clubhouse, where local food trucks can also be found weekly. The metal roof has just been serviced with new screws and vent boots, ensuring its long life expectancy.
