3 Bedroom, 2.00 Bathroom, 1,940 sqft
Detached Single Family on 0.37 Acres

NORTHLAKES S/D PH 1, Crestview, FL

AFFORDABLE COASTAL LUXURY WITH
PARTIAL WATERVIEW.. NOW AVAILABLE!

Welcome to *NEARLY NEW* ALL BRICK
CONSTRUCTION... on a newly landscaped
serene lot that accurately reflects it's
name--TRANQUIL-ity Drive!

This 3 BR/2 Bath PLUS BONUS ROOM was
masterfully designed to include accessible
features (wide doorways, halls, bathrooms),
while also prioritizing a functional layout with
storage, safety and flow!

Step through a decorative glass door (with
sidelites), into an open-concept space with rich
walnut lvp flooring, neutral paint, 9 foot
ceilings, large picture windows, wood blinds
and custom touches throughout.

The Chef's kitchen boasts PREMIUM
GRANITE, oak cabinetry with soft close
features, farm sink, LG fridge, ss appliances,
pantry and one very gorgeous granite
breakfast bar. (cont.) The designated dining
space overlooks my favorite feature of the
home-- the screened lanai!

This elevated bricked/screened space was
constructed with accessibility in mind. Not only
is it screened, the builder incorporated a safety
railing for peace of mind security. There's a
partial waterview to the left... but the wooded
buffer along the back of the property pulls the

eye and offers more "tranquil" views of nature.

The savvy buyer may decide to add wooden decking off the lanai.. offering additional backyard access and untapped equity. We'll explore the backyard momentarily.

The master suite is spacious with rich lvp flooring, neutral paint, backyard views and a large walk-in closet with shelving.

The master bath boasts space, and an accessible CUSTOM TILED WALK-IN SHOWER.. BIG ENOUGH FOR 4.. with built-in seating!

There's also a WALK-IN LINEN CLOSET, expansive oak vanity with soft-close features, faux marble counter with 2 sinks and a water closet.

Bedrooms 2 and 3 offer spacious layouts with walnut flooring, neutral paint, large closets.. and one of them boasts a partial waterview.
#LookLeft

The guest bath offers walk-in shower #2 with glass door and more faux marble.

The cozy bonus room would be the perfect office, homeschool space, or nursery.
#EndlessPossibilities

There's a bonus feature in the laundry room! The builder added a utility sink for laundry mishaps. #StainRemoval

Security was priority for this homeowner. Backyard access was limited to a side door located in the garage. Again, the savvy buyer may add backyard deck to the lanai, for direct access.

The backyard is large, flat and EXTENDS

BEYOND THE FENCELINE. The owner installed privacy fencing along the sides, but left hurricane fencing (with gate) along the back of the property for uninterrupted views of nature. The backyard also offers views of the neighboring lake.

Other notable mentions include: gutters, commercial grade water heater, county taxes and NO HOA!

This home is priced to move and can close very quickly! Make an offer today!
