MLS® #978162

\$625,000

4 Bedroom, 4.00 Bathroom, 1,752 sqft

Detached Single Family on 0.10 Acres

Bayshore Pines, Miramar Beach, FL

This beautifully crafted beach home strikes the perfect balance between polished sophistication and laid-back Gulf Coast comfort. Located in the heart of Miramar Beach, just over a mile from the sand and minutes from the bay, this two-story retreat offers enviable access to the best of both shores—with golf cart convenience to local favorites like the Silver Sands Outlets and Destin Commons.

Built in 2019 and recently refreshed with new paint, the home features four spacious bedrooms, including two primary suites—one on each floor—offering flexibility for multigenerational living or rental versatility. The open-concept layout is anchored by a striking kitchen where white cabinetry, quartz countertops, under-cabinet lighting and a waterfall-edge island set the tone for elevated everyday living. Wide-plank hardwoods span both levels, complemented by custom tilework and natural light that spills into every corner of the home.

The upstairs master offers a private sanctuary with an ensuite bath and separation from the two additional guest rooms. A well-placed laundry room completes the second floor. Outside, the fenced backyard is an open invitation to linger whether on the raised deck, paved patio, or among the lush landscaping.

A thoughtfully-designed coastal retreat with

ample parking make this home a smart buy for investors and beach lovers alike. With no carpet, no compromises, and no need to choose between the bay or the beach, this home captures the full coastal lifestyle, no matter which way you ride.
