This wonderful beach home underwent extensive upgrades and renovation in 2024 and has all the qualities you'd expect in a brand-new build. Everything from top to bottom was newly built, installed, finished and furnished.

Relaxation sets in as you enter the quiet, gated neighborhood, with brick-paver streets leading to your destination, under the shade of live oaks. You'll find "Tidewater" nestled on a quiet street, with palm trees, expansive decks and balconies, and comfortable parking for up to five vehicles. The home also features a one-car garage, which is ideal for storing extra beach gear and more. Three of the bedroom suites are located on this ground floor level. Moving up to the second floor, you'll find the main living space. The beautifully designed kitchen will be a favorite among the family's

chefs. With plenty of seating at the kitchen island, the space is perfect for gathering together and spending time with the family while cooking. The dining space is adjacent to the kitchen, making meal time a breeze, with plenty of seating and a large, unique built-in plush bench running the full length of the wall.

Relax in the living room for movie night, or wander out through the full wall of sliding glass doors to enjoy the view. Take in gorgeous sunsets while relaxing in lounge chairs on the shaded balcony, which runs the full length of the home.

The master bedroom is also located on the second floor, just off the living room. This spacious suite features a king-size bed, beautiful views, and a huge master bathroom. Accent lighting automatically illuminates the floor as you walk into the bathroom, which includes an expansive dual vanity, large soaking tub and beautiful walk-in shower.

Just down the hallway from the kitchen on the second floor, you'll find another queen suite. This wonderful bedroom includes a private balcony overlooking the street, and a full-size bathroom (which can also be opened to the hallway to function as a common bathroom if preferred).

Head up to the third-floor living room. With sweeping views in all directions, plenty of comfortable seating, a gaming table, TV and wet bar, this space is sure to be a favorite spot for your family.
