Detached Single Family

CRESCENT III, Navarre, FL

Ninety-three feet of Santa Rosa Sound frontage unfolds before you the moment you arrive. A 300-foot private dock stretches toward open water, a covered boathouse waits at its end, and a screened-in pool offers a front-row seat to the Sound -- all within Flood Zone X, the federal government's lowest-risk flood classification.

This is not a compromise. This is the waterfront life, fully realized, on one of Navarre's most coveted sound-front lots. Set on a sound front lot, 1901 Catamaran Dr is a custom executive residence where soaring 18- and 20-foot ceilings frame uninterrupted water views, and every detail has been considered with intention. The chef's kitchen commands the main level -- outfitted with a natural gas range, warming drawer, dedicated ice maker, wine fridge, trash compactor, dual prep stations, and a walk-in pantry with floor-to-ceiling shelving -- all while framing live views of Santa Rosa Sound. Bar seating for four. A formal dining room and casual dining area for every occasion.

The primary suite is a private sanctuary: bamboo wood floors, a dedicated sitting area, direct patio access, a garden tub, a separate tile shower, dual vanities with ample storage, and his-and-hers closets. The screened pool deck offers a front-row seat to the Sound, with an 8-foot-deep pool and a poolside half bath just steps away. Elsewhere: a gas fireplace in

the great room, built-in speakers throughout communal spaces, porcelain tile, central vacuum, and a 2nd-floor flex space with custom built-ins. Auto hurricane shutters, full-perimeter storm protection, gutters, seawall, riprap, and a private sandy beach area.
