Detached Single Family on 0.14 Acres

N/A, Miramar Beach, FL

Welcome to 221 Norwood Drive, an exceptional 8-bedroom, 9-bath coastal retreat located just steps from the sugar-white sands of Miramar Beach. Thoughtfully designed across three spacious levels, this residence combines generous scale, Gulf views, refreshed interiors, and an outstanding location for both private enjoyment and vacation rental use.

The main living area has been recently updated with new furnishings, creating a brighter, more elevated setting for gathering and entertaining. An open-concept layout connects the living room, dining area, and kitchen, while abundant windows fill the space with natural light. The kitchen offers stainless steel appliances, ample cabinetry, extensive counter space, and a large island well suited for hosting groups.

Each bedroom includes access to a private bath, providing comfort and separation for owners and guests alike. Multiple living and recreation spaces allow larger groups to spread out, while Gulf-facing balconies extend the experience outdoors. Outside, the private resort-style pool and surrounding lounge areas offer an inviting setting for relaxing after a day at the beach. One of the property's most compelling features is the direct path from the backyard to the neighboring beach-access boardwalk, creating an exceptionally convenient connection to the Gulf without the

need to cross a busy road.

With its 8-bedroom configuration, expansive gathering areas, private pool, multiple balconies, and remarkable proximity to the beach, 221 Norwood Drive is well positioned as a primary residence, second home, or income-producing vacation rental. Its layout and location offer the features guests consistently seek, along with the flexibility for a future owner to refine the rental strategy and maximize the property's potential.

Conveniently located near acclaimed dining, shopping, golf, boating, and family attractions, this Miramar Beach retreat delivers the space, accessibility, and coastal lifestyle that make the Emerald Coast so desirable.
