Detached Single Family

Palmetto Trace, Panama City Beach, FL

THE ONLY HOME WITH A POOL ACTIVELY LISTED IN PALMETTO TRACE.

REMODELED WITH A TON OF UPGRADES.

The true centerpiece of this home is the beautifully resurfaced pool, featuring a stunning pebble finish and elegant accent detailing, perfect for relaxing or entertaining year-round. Enjoy peace of mind and comfort with a brand-new pool heater, screened enclosure, and full security system complete with cameras and lighting.

Inside, the home showcases a refined, modern aesthetic with all-new lighting, crown molding throughout, and freshly painted interior and exterior. The spacious living area is enhanced by a stylish wet bar, ideal for hosting guests. Tile flooring runs through the main living spaces, while the bedrooms offer plush carpeting for added comfort. The updated kitchen features granite countertops, brand-new stainless-steel appliances (currently protected with plastic to preserve their pristine condition), and ample cabinetry. Granite continues into all bathroom vanities, where you'll also find brand-new cabinetry and dual sinks. The primary suite offers a luxurious retreat with a jetted tub, separate his-and-hers closets, and expansive walk-in storage.

Additional interior highlights include arched doorways, beveled doors throughout, and

plantation shutters that add both charm and functionality. A new Samsung washer and dryer are included.

Major system updates include a brand-new HVAC system and a roof approximately 5 years old. The exterior is equally impressive, featuring new Zoysia grass, a sprinkler system, termite bond with bait traps, and metal hurricane shutters for added protection.

A spacious 2-car garage completes the home, and the seller will consider including the golf cart with a strong offer.
