

\$1,350,000 - 229 Yacht Club Drive, Niceville

MLS® #922362

\$1,350,000

4 Bedroom, 4.00 Bathroom, 3,502 sqft

Detached Single Family on 0.98 Acres

DANA POINTE, Niceville, FL

Finest views in Niceville! Sitting on nearly an acre of beautifully landscaped property in the exclusive Dana Pointe subdivision, this single-story home is a dazzling combination of elegance and comfort. Enter the front door and feel the expansiveness of the open floor plan and soaring ceilings. The bank of windows on the back provides unobstructed views of the bay and the heated, 25-meter lap pool. In the kitchen, you will find custom cherry cabinets and quartz countertops. The double oven and induction cooktop are new, but if you love a gas range, the connection is there. Check out the vintage Italian chandelier in the formal dining room and the wall-to-wall built-in cherry bookshelves in the library. The living room is huge, wired for surround sound, and has a gas fireplace. The tiled sunroom, currently used as a home gym, is versatile enough for multiple functions. The bedrooms are large, and the primary suite, with a second fireplace, provides a haven of peace and quiet. New maple cabinets and granite countertops adorn the master bath, as well as the laundry room and one of the guest baths. All the closets in the house have been renovated by Artisan-Bilt of Valparaiso. Like to entertain? There are two bars, one in the sunroom, and the other on the screened-in lanai. The pool deck and gazebo provide plenty of space for parties. Enjoy the abundant wildlife, including dolphin, pelicans, osprey and cranes.

Other recent upgrades include a Generac

whole house generator and a Culligan whole house water filter and softener. There are two HVAC systems, installed in 2014 and 2022, respectively. The pool was resurfaced in 2022 with PebbleTec, good for 15 to 20 years. A new irrigation system was installed in 2022, and the house was completely replumbed with PEX piping in 2016.

This is waterfront living at its best. Come see for yourself.

Built in 1994
