Detached Single Family on 9.75 Acres

SANTA ROSA BEACH, Santa Rosa Beach, FL

A rare opportunity to own a true 'farm at the beach' lifestyle in Santa Rosa Beach. Set on nearly 10 acres, just minutes from the sugar-white sand beaches of 30A. This unique property combines expansive acreage, a thoughtfully designed 3 bedroom, 2 bathroom coastal farmhouse, and a fully equipped equestrian setup. From the 6,500 square foot barn to the professionally designed riding arena. This is a setting that offers space, flexibility, and a lifestyle rarely found this close to the Gulf.

The home is designed with a warm coastal farmhouse feel and an open, light-filled layout. Cathedral ceilings elevate the living space, while a seamless flow connects the living room, kitchen, and dining area, creating an inviting and functional environment for everyday living and entertaining. The kitchen serves as the heart of the home and is complemented by a designated breakfast nook with built-in seating.

The primary suite offers a quiet retreat with a spacious bedroom and a well-appointed bathroom featuring a double vanity, a clawfoot soaking tub, and a walk-in shower. The bunk room is a true standout, complete with custom built-in bunks and a slide, creating a fun, one-of-a-kind space that comfortably sleeps six. An additional guest bedroom and full

bathroom provide comfortable accommodations for family and visitors. The dedicated office features custom cabinetry and a built-in Murphy bed for added flexibility. Designer finishes and curated details are carried throughout, blending everyday comfort with character.

Lined with hydrangeas along the exterior, the home offers a setting that feels straight out of Southern Living Magazine. A large back deck is ideal for entertaining and overlooks the expansive property, which includes a garden with raised beds, an existing chicken coop, and plenty of space to bring your farm-to-table vision to life.

For equestrian enthusiasts, this property is truly unmatched. The 6,500 square foot barn features 19 European-style stall fronts, paver flooring, fans in each stall, along with a custom locker room and dedicated tack room. The riding arena measures approximately 110 by 225 feet and is finished with premium GGT (German geo-textile) footing, creating a professional-level setup rarely found this close to 30A.

Beyond what is already in place, the property offers incredible flexibility. An unfinished greenhouse is ready for your vision, while the expansive acreage creates opportunities for a private estate, equestrian use, or a thoughtfully designed income-producing property.

Conveniently located off North County Highway 393, you're just an 8 minute drive to the nearest beach access and 10 minutes to shopping and dining at Grand Boulevard. All of this, while still enjoying the privacy and feel of a tucked-away estate.
