MLS® #1000175

\$332,000

5 Bedroom, 3.00 Bathroom, 2,117 sqft

Detached Single Family on 0.15 Acres

PARK PLACE 2ND ADDN, Panama City, FL

This 5-bedroom, 3-bath Lakeside floor plan was built in 2024 and still feels like new. Priced below recent sales of the same floor plan, it presents an incredible opportunity for buyers. Park Place will not be building any more of this 5-bedroom Lakeside plan.

The home offers durable Hardie Board siding, unlike many of the newer homes in the neighborhood that feature vinyl siding, along with a long list of upgrades throughout.

Inside, the layout offers both space and functionality. Two bedrooms and a full bath are located at the front of the home, with two additional bedrooms situated off the center hallway. The primary suite is privately tucked at the rear and features luxury vinyl plank flooring to match the rest of the home, double vanities, a large tiled shower, and an oversized custom closet.

The kitchen is finished with beautiful white shaker cabinets, quartz countertops, and newer stainless steel appliances. Throughout the home, all bedrooms have upgraded lighting, replacing the standard builder-grade fixtures for a more polished feel.

Residents of Park Place enjoy sidewalk-lined streets, a community pool, playground, and BBQ area, creating a welcoming neighborhood atmosphere.
