Positioned along the North Shore of Choctawhatchee Bay, 315 RED BARN RD offers 100' of shoreline, and presents a refined waterfront setting defined by panoramic water views and effortless coastal living. This custom-built residence blends understated elegance with modern construction, creating a private sanctuary, this Bayfront oasis is just moments from the beaches, dining, and conveniences of the 30A corridor. Both the cottage house constructed in 2021, and garage with carriage house built just a few years ago, have been meticulously maintained in exceptional, like-new condition. The construction reflects a commitment to quality and durability, featuring hurricane-rated doors and windows along with a Generac whole-home backup generator with automatic transfer switch for uninterrupted comfort and peace of mind.

The homesite is thoughtfully positioned to capture both privacy and expansive water views, while a 10 x 16 garden shed equipped with an electric panel offers flexibility for future enhancements, including a spa or outdoor living addition.

residence, presenting a unique opportunity to further curate and elevate the property into a bespoke waterfront estate.

Enhancing the waterfront lifestyle, the property includes a private dock with three lifts: a boat lift, a sailboat catamaran lift, and a jet ski lift, allowing for immediate access to the bay, Crab Island, and the Gulf beyond.

Further distinguishing the property, it is not located within an HOA and is situated in Flood Zone X, meaning no flood insurance is required.
