Under contract with a 72 hour kick out clause.

Updates and modern finishes are at the forefront of this Emerald Bay home that sits on a lake, offering serene views. Offering nearly 2,500 square feet of living space and fresh Mediterranean styling in a guard-gated golf course community, this four-bed, two-bath home is the perfect blend of indoor-outdoor living with comfortable interiors and sliding doors that open onto a screened porch overlooking the water and the backyard. The kitchen has undergone a recent remodel with soft-close cabinets, granite countertops, custom tile backsplash and custom pantry shelving. The laundry also received significant upgrades including new soft-close cabinets and a custom built-in drop zone. New LVP flooring throughout the main areas of the home helps everything flow seamlessly and updated LED can lighting and oil-rubbed bronze lighting fixtures add warmth. The owner's suite overlooks the lake and features dual walk-in closets and an en suite with soaking tub and glass-enclosed shower. The second bathroom has been fully remodeled and all walls were freshly painted in 2021 and 2022. Epoxy flooring was also recently placed in the two-car garage.
