Detached Single Family on 0.42 Acres

Caribbean Village East II, Niceville, FL

Beautifully updated home in the desirable Bluewater Bay subdivision - updates galore and move in ready! Situated on an almost 1/2 acre corner lot with freshly trimmed trees, this three sided brick home has been completely repainted on the exterior and features a 1 year old roof and a brand new front porch. The driveway has been fully rebuilt, extended, and widened to include additional side parking - perfect for your boat or all the fun Florida toys. The spacious backyard offers plenty of room for a future pool and features a large covered porch. To top it off - brand new landscaping, hello curb appeal! The garage is a major highlight with tall ceilings, fresh paint, new stairs, and an expanded storage room. It also features a \$7,000 hi-lift insulated garage door that's Wi-Fi compatible. Inside, it's just as impressive - including new lighting, ceiling fans, all new switches and outlets, plus new smoke and CO2 detectors. Popcorn ceilings have been removed in the main common space areas. The master bath has been thoughtfully redone, and the kitchen offers a functional, open layout with ample cabinetry and stainless steel appliances - perfect for entertaining. With \$50K+ in renovations (and likely more), this home is turn key and ready for its next owner in the heart of one of Niceville's most popular communities. Don't miss your opportunity!
