LOCATION! LOCATION! LOCATION! Are you an investor or builder looking for your next project? If so, this might be just what you are looking for. The property is just over a mile from the Choctawhatchee Bay, and minutes from downtown Freeport and the world's most beautiful beaches. The property also features a water view of one of the many canals leading to the bay and is near the dead end of the road. The home is a 3 /2 manufactured home that can be removed or fixed up to be a great investment or forever home. The house does need work, but it is hard to find homes in this area at that price. A nice shed/carport is also located on the property. So if your looking to get close to the beaches and not ready to pay that beach price, maybe this fixer up will be just what you are looking for!

Built in 1980
