Detached Single Family on 0.23 Acres

None, Panama City, FL

With 5 bedrooms, 3 full baths and multiple living areas, you are not going to want to miss out on this REO opportunity. Built in 1976, this split level home has all that you need to accommodate a larger family, multi generation housing and more. The main floor (when entering from the front entrance) opens to an open floor plan living space with dining area, living room with brick wood burning fireplace and open kitchen. Head down stairs on one side of the living room, and enter the oversized bonus room, den, or gaming room. This room can be entered from the exterior as well. On the opposite side of the LR, go upstairs and find 3 bedrooms, including the master bedroom and master bath, or go downstairs and find the laundry area and 2 additional bedrooms and a full bath. This area can be entered from the exterior as well. This is a lot of home with massive amounts of potential. Call today!
