Experience the beauty and privacy of this 226-acre country estate while being less than an hour from the beaches of South Walton and Destin-Fort Walton Beach Airport. With approximately 50 acres in open fields and the balance in hardwoods and scenic creek bottoms, this property offers endless possibilities as a weekend retreat, recreational getaway, or full-time residence. Previously a working horse farm, it features several barns and up to 21 horse stalls, making it ideal for equestrian or agricultural use. For outdoor enthusiasts, this is a turnkey hunting and recreational property with a proven history of success. The established dove field features an installed mock power line setup, creating an ideal layout for hosting memorable dove hunts with family and friends. Hunters and fishermen alike will appreciate the two bass-stocked ponds, three shooting houses overlooking food plots, and exceptional wildlife habitat throughout the property. Long Creek flows through the lower portion of the property, creating a beautiful untouched hardwood bottom and adding to the property's natural appeal. The home was completely remodeled in 2015 and offers four bedrooms plus a bunk room, hand-scraped laminate flooring, stainless appliances, custom wood cabinetry, granite countertops, updated fixtures, a spacious laundry and mud room, and a three-bay attached carport. Enjoy sunset views

over the pecan grove from the front porch or relax on the expansive screened back porch.
