RARE OPPORTUNITY This home offers a solid foundation filled with unique character and room to personalize to your taste. Welcome to 503 Sheffield, a mid-century home built in 1959 that has been lovingly maintained by a single owner throughout its history. Step inside to find flexible living spaces for comfort and entertaining, featuring two distinct living rooms. The main living room provides a cozy retreat, while the secondary living room functions as a Florida room framed by full-height windows, warm exposed ceiling beams, and rich new Pergo waterproof flooring that bathes the home in natural light. Upgrades shine throughout with fresh interior paint (July 2026), modern updated outlets and switches across the entire home, and brand-new ceiling fans in both the primary bedroom and office. The kitchen highlights classic craftsmanship with solid wood cabinetry, built-in plate racks, lattice detailing, and a white gas range with a tile backsplash. Enjoy long-term peace of mind with major systems updated, including a roof warranty active through 2029 and a newly installed gas water heater (2026). Outdoor living and practical utility are evident throughout the property, which is outfitted with three carports, a shaded cabana, a spacious shed with electricity (perfect for a workshop or hobby space), and fresh exterior paint (July 2026). Fully fenced and meticulously maintained, with mature hardscape.
