🏡 20-Acre Private Ranch in North Okaloosa County

Discover the country lifestyle you've been dreaming of with this 20-acre ranch just off Highway 90. Designed for comfort and function, the property blends peaceful surroundings with extensive upgrades already in place.

Equestrian and livestock facilities include a hot-wire horse paddock, hay overhang that can easily convert to a stable, a pig pen, and two chicken coops – one for breeding/separation and one with a self-sufficient feed and water system requiring only weekly care. A quarter-acre, stream-fed pond (approx. 8 ft deep) is fully stocked with fish and features a functional dam, overflow relief, and a reinforced bridge built to handle vehicle traffic. Storage needs are met with a 40' high-tube container. Utility systems have been updated with a new insulated pump house, pressure tank, switch, PVC lines, and a heavy-duty water filter. The home itself has received major upgrades, including a 2021 HVAC system, fully remodeled kitchen, LVP flooring, lighting, doors, and shelving, plus all-new hurricane-rated windows and a durable metal roof.

With room to grow and ready-to-use facilities including horse paddock, pig pen, and chicken coops this property is the ideal foundation for your dream homestead.
