3 Bedroom, 2.00 Bathroom, 1,544 sqft

Detached Single Family on 1.04 Acres

MOUNT OLIVE ESTATES, Crestview, FL

This well maintained 3 bedroom, 2 bathroom all brick home sits on a rare 1.04-acre, completely level lot and offers peace of mind with a newer roof (2021) and HVAC 2022. The open layout features tall cathedral ceilings in the living room that flow into the kitchen, highlighted by updated stainless steel appliances and a cozy wood-burning fireplace. The seller has replaced all carpet throughout, making for easy maintenance. Outside, enjoy a fully fenced backyard with a perfectly sized double gate to pull through your toys, along with plenty of space to spread out and store them. With no neighbors behind you, the backyard feels quiet and private, backing up to nature. Additional features include a newer 18x30 workshop valued at approximately \$19,000 with electrical and wiring for both 110 a and 220V, an above-ground pool with a new pump for hot Florida summers, and a hot tub for cooler evenings. A screened porch off the living room provides extra space to relax. The meticulous seller recently had the septic tank pumped in December 2025 and maintains an annual pest and termite bond with Cook Pest Control. This one checks all the boxes and won't last long.
