Seaside 1, Santa Rosa Beach, FL

Tucked along Seaside's cherished Rosewalk and just steps from the town center, 54 Robert's Way is a masterfully redefined residence that blends architectural history with modern refinement. Originally constructed as one of the very first spec homes to introduce the Seaside vision, this property has been fully reimaged through a comprehensive renovation completed in 2023. Every detail of the home has been curated with intention professionally designed with a clean, coastal-modern aesthetic that feels both timeless and elevated. The main level offers a private owner's suite with a newly constructed full bath, along with a spacious bunk room and additional full bathroom.

Upstairs, a soaring second floor delivers volume and natural light, housing a brand-new designer kitchen, wet room-style bath, dining area, and an airy living space that opens to a treetop balcony overlooking the lush Rosewalk green space. The third-floor loft, complete with a twin trundle and peek-a-boo Gulf view, adds versatility and charm.

New systems throughout including all new appliances and HVAC ensure effortless living. Moments from Seaside's iconic town square, world-class dining, boutique shopping, and the sugar-white sands of 30A, 54 Robert's Way offers a rare opportunity to own a piece of the community's legacy completely redefined for modern coastal living.
