Condominium

SURF DWELLER CONDO, Fort Walton
Beach, FL

Unit 505 at Surf Dweller on Okaloosa Island has, by far, one of the most impressive views (both inside and out) on the island. This being their primary residence the owners made sure, during the 2015 complete remodel, this unit had top of the line finishes and upgrades. From the gorgeous custom wood cabinetry with pull-outs, the granite countertops in the kitchen, gorgeous tile flooring and the bathroom updates - nothing was left untouched. They also made sure to include tons of storage, more closet space and included conveniences not customarily found in a condo unit. All of these great upgrades mean the unit would, of course, be a wonderful primary or second home but will also make an amazing rental and could easily entice renters to return for their next vacation. The over-sized balcony is where you will spend most of your time! Unit 505's beautiful gulf views and sunsets are envy-worthy and not to be missed.

Of note: HVAC was replaced in 2023, water heater 2016. All required inspections have been completed - assessment from 2025 has been paid in full. Surf Dweller offers a heated pool, separate kiddie pool, pickleball courts, an exercise room as well as a grilling area.
