WATERSOUND ORIGINS, Inlet Beach, FL

Positioned along the Watersound Origins Golf Course, this five-bedroom, five-and-a-half-bath residence captures one of the most peaceful perspectives in the community: wide fairway views framed by thoughtfully designed outdoor living spaces.

Inside, this Fairwater C plan was built around how people actually gather and spend time together. The kitchen anchors the main living area with a large marble island wrapped in white oak and equipped with Sub-Zero refrigeration, a dual Wolf range with both gas and electric cooking, and a built-in 30-inch Wolf coffee station.

Just off the kitchen, a white oak wine bar introduces additional function with a wine cooler, nugget ice maker, and unlacquered brass fixtures that add warmth and character to the space. Carrara marble bathrooms with custom tile, true masonry fireplaces (including a custom stone fireplace centering the main living room), wide-plank wood floors, a sliding glass wall opening to the lanai, custom stair runner, and California Closets in key bedrooms.

The outdoor living area was built to function as a true extension of the interior and to be used year-round. A private pool with raised hot tub sits off a covered lanai outfitted with automated screens, Cumaru hardwood decking, built-in electric heaters, integrated speakers, an outdoor kitchen with Artisan grill

and refrigeration, and a second masonry fireplace.

A detached carriage house above the garage adds a fifth bedroom with its own full bath - ideal for guests, in-laws, or a long-stay home office, and the kind of layout flexibility most floor plans in this price band don't offer.

Behind the scenes, the home is set up to run cleanly. A 26-kilowatt Generac generator services the entire residence and carriage house. Sonos audio is wired throughout and controlled via dedicated iPads, Samsung Frame televisions are installed across multiple rooms, a full security system with day-night cameras is in place, and Wi-Fi-enabled garage doors include a dedicated golf cart bay.

Outside, extensive landscaping, low-voltage lighting, and a Wi-Fi irrigation system frame the home and golf course setting.

Watersound Origins remains the most practical community on this side of 30A for full-time residents - close to the Origins Club, walking trails, the Watersound Town Center, Publix, and zoned to South Walton schools.

Most homes in Origins have one or two standout features. This one combines several: real golf course frontage, a fully built-out outdoor living space, a detached carriage house, and a depth of systems already paid for and installed. For a buyer weighing this against starting fresh, the math and the timeline both favor the home that's already done.
