Detached Single Family on 0.46 Acres

TIMBERLINE NORTH, Milton, FL

Welcome home to a secluded half acre property that has all the updates that you need! A brand new architectural shingle roof, HVAC system, and new water heater. Completely remodeled from top to bottom. Wonderful curb appeal as soon as you pull up and it's easy to maintain. No HOA either so bring your camper / RV because the left side of the home has an added plug. When you step inside, you will see how open and bright the home is! Oversized island in the kitchen, with stainless steel appliances, and the living room features a corner fireplace to set the mood.

Florida does experience some chilly nights so if you are the type that wants to stay cozy without kicking on the heat, you may prefer this beautiful fireplace to be turned on instead.

The home features a split floor plan, where the master bedroom is facing the backyard. The master bathroom has also been updated and has a stunning walk-in shower.

If you are looking for an April closing or first week of May, then this may be the home for you. Feel free to set up your private tour today! This home is move-in ready and your insurance will come in a much lower due to the proper updates.
