Detached Single Family on 0.29 Acres

Arboleda Point, Santa Rosa Beach, FL

Designed by renowned architect Geoff Chick, this unique Arboleda Point home is one of just six homes in a gated golf-cart-friendly enclave that embraces privacy and nature. With 100 feet of private waterfront, this exclusive residence includes a 40-foot boat slip, making it perfect for leisurely days of fishing, boating and watersports. Looking perfectly at ease within an incredible natural landscape dotted with moss-draped oaks, this custom home makes excellent use of natural materials to reflect this pristine environment. Showcasing top-quality construction, the home was built by John Becktel in 2024. Clad in old-world stucco, the twin-gabled facade neatly incorporates a two-car, heated-and-air-conditioned garage and a recessed front porch.
