MLS® #992292

\$349,915

4 Bedroom, 2.00 Bathroom, 2,162 sqft

Detached Single Family on 0.96 Acres

HOLLY HILLS, Crestview, FL

Now offered at \$349,915 after a significant price adjustment, a move that has already brought renewed attention and activity.

Wake up to quiet mornings where rustling leaves replace traffic noise and nearly a full acre of level, usable land stretches beyond your back door. This fully remodeled four-bedroom, two-bath home blends modern finishes with the kind of space that is becoming harder to find.

Step inside and feel the openness immediately. Luxury vinyl plank flooring runs throughout, leading into a bright, open layout filled with natural light. The kitchen is both clean and functional, featuring quartz countertops, soft-close cabinetry, and stainless steel appliances, all complemented by updated LED recessed lighting and modern fixtures. The living room centers around a wood-burning fireplace with modern farmhouse styling, a warm focal point that anchors the space. Generously sized bedrooms provide flexibility, while both bathrooms are finished with granite countertops and custom tile showers. The primary suite includes a tiled walk-in shower, offering a well-finished private retreat.

Step outside and the difference becomes clear. The level yard offers a mix of open space and mature trees, ideal for gardening, entertaining, adding a workshop, installing a pool, or simply enjoying the outdoors at your own pace. With no HOA, the flexibility here is something many buyers are actively searching

for and rarely finding at this price point. Major updates include a new HVAC system and new water heater, making this home truly move-in ready. Homes with this combination of land, updates, and price point do not tend to sit once they align with the market, and this one is now positioned to move.
