SILVERWOOD ESTATES, Crestview, FL

Situated on a spacious corner lot, this beautifully cared-for home stands out with timeless design, thoughtful details, and a layout that feels both refined and functional. A long driveway and inviting front porch create a welcoming first impression, while the side-entry garage adds to the home's clean curb appeal.

Inside, you'll find tall ceilings, elegant living spaces, and a floor plan that offers more character and separation than many newer homes built today. The kitchen features granite countertops, solid wood cabinetry, ample prep space, and a cozy breakfast nook perfect for everyday dining. A separate formal dining room provides additional space for gatherings and entertaining.

One of the secondary bedrooms includes glass doors, making it an ideal option for a home office, study, or flex room. The spacious primary suite offers a relaxing retreat with both a soaking tub and separate shower.

Step outside to enjoy the fully fenced backyard with a newer fence and plenty of room to unwind, entertain, or let pets play freely. Conveniently located in Crestview with no HOA, this home combines charm, space, and functionality in a setting that truly feels established and welcoming.
