Detached Single Family on 0.18 Acres

Breakfast Point, Panama City Beach, FL

This spacious Craftsman-style home seamlessly blends generous living space with practicality. All on one level, it has an open-concept floor plan with a coffered ceiling and multiple windows. This bright and airy living space is designed for dining, entertaining and watching favorite movies together. The sleek wood-effect LVP flooring continues into a well-planned kitchen that showcases stainless steel appliances, including a new smart refrigerator and microwave. Granite counters and a mosaic tile backsplash enhance the workspace, while a vast granite-topped island with stool seating provides a generous space for sharing drinks, snacks, and social conversation. It easily accommodates the dual sink, dishwasher and drawer storage. A separate laundry room complete with shelving and a folding table keeps everything neat and tidy. The split floor plan comes into its own with four generously sized bedrooms. They offer ample space for additional furniture, while two full bathrooms provide everyone with privacy and space. The master suite is especially noteworthy, with a spacious walk-in closet. The private bathroom has a twin vanity and an updated walk-in shower with dual rain heads. Head outdoors to find a large covered patio, the perfect place to host weekend barbecues. The entire home is surrounded by fencing and lawns, allowing kids and pets to play safely. A wide driveway

and a two-car garage offer parking and storage for vehicles, bicycles, tools and toys. Clearly well maintained, this delightful single-family home had a replacement roof in 2019. It's within easy walking distance of schools, parks and a local playground where kids can burn off their energy. The Breakfast Point community is also well served by a local supermarket, restaurants, banks and more.
