4 Bedroom, 5.00 Bathroom, 3,024 sqft

Detached Single Family

WATERCOLOR, Santa Rosa Beach, FL

Set within WaterColor's Crossings District, this one-owner Romair-built residence is one of the builder's most sought-after floor plans enhanced with a private pool and the kind of indoor-outdoor living that defines life along 30A. Very rarely rented and beautifully maintained, the home spans approximately 3,024 square feet with four bedrooms, a dedicated bunk room, four full baths and a powder bath, offering a layout that feels equally suited to full-time living, a second-home escape or a strong luxury investment.

The interiors are designed for both ease and style, with generous gathering spaces, a full-size laundry room with sink and a well-appointed kitchen anchored by Sub-Zero and Wolf appliances. A wet bar with wine fridge adds another layer of convenience for entertaining, while the versatility of the floor plan allows owners and guests to spread out comfortably.

Outside, the home truly comes into its own. A private pool with sun shelf sets the tone for long afternoons at home, while four covered patios and porches create a series of inviting spaces for quiet mornings, casual dinners and game-day gatherings. The screened side porch with TV is made for coffee and SEC football, and the expanded rear porch with outdoor fireplace extends the living experience well beyond the interior walls.

Ownership also opens the door to WaterColor's celebrated amenity package, including the recently remodeled Beach Club, Camp WaterColor, Dragonfly Pool, Frog Pool and neighborhood pools throughout the community. WaterColor also borders Western Lake, where owners can enjoy canoe and paddleboard rentals from the BoatHouse, along with an extensive network of bike paths and nature trails across the 499-acre community. Tennis and pickleball facilities are currently undergoing a full renovation, and the seasonal tram system offers convenient transportation throughout the neighborhood.

Just beyond the gates, owners are moments from acclaimed dining, boutique shopping, scenic bike paths and easy access to Highway 98 for trips to Destin, Panama City Beach and Northwest Florida Beaches International Airport. This is a thoughtfully designed WaterColor home with privacy, flexibility and the sort of porch-and-pool lifestyle buyers ask for again and again
