GULF LAKE BEACHES ESTATES, Inlet Beach, FL

Step into a stunning 2023 newly constructed, never rented home directly on 30A, designed for luxurious coastal living and effortless entertaining. Nestled on a spacious corner lot, this thoughtfully designed three-story retreat boasts one of the largest private pools on 30A, a rooftop terrace with panoramic Gulf and Camp Creek Lake views, and nearly 1,840 sq ft of outdoor porches and living space. Whether you're relaxing or hosting, every detail of this home is elevated and intentional.

An elevator provides easy access to every level, from the expansive first-floor entertainment areas to the top-floor main living space, where 18' vaulted ceilings, exposed rustic white oak beams, and custom oversized windows frame breathtaking Gulf and dune lake views. The open-concept living room is anchored by a striking floor-to-ceiling fluted tile fireplace, a 65" TV, SONOS soundbar, and a pair of sliders that lead out to a large covered deck and rooftop terrace. A spiral staircase offers additional access to the 4th-floor rooftop, ideal for sunset cocktails or morning yoga.

The gourmet kitchen is a showpiece with a massive 130" x 60" charcoal suede Silestone island, paneled oversized refrigerator/freezer, Thermador appliances, Blanco Silgranite sink, Zellige tile backsplash, and Kelly Wearstler designer pendants. A built-in wet bar

completes the space, making entertaining seamless.

The first level includes a spacious game room with barn door entry- easily converted into an additional bedroom- with a full bath featuring a gorgeous concrete trough sink and walk-in shower. Slider doors lead to the screened-in outdoor kitchen and living area, which includes a NatureKast 60" grill, Blaze refrigerator, and an 80" TV overlooking the show-stopping custom Gunite pool and spa, designed with sundeck, bubblers, spa jets, PebbleTec finish, and Hayward automation.

A built-in drop zone near the pool provides the perfect place to stash beach towels and outdoor gear after a day in the sun. The primary suite, tucked privately at the back of the home, is a true sanctuary featuring a wood accent wall, beamed ceiling, stylish pendant lighting flanking the bed, and slider doors that open to your backyard oasis. The primary bath offers a spa-like experience with a freestanding soaking tub, custom inset cabinetry, Silestone quartz countertops, and beautiful tilework throughout.

On the third floor, the junior primary suite rivals the main suite in luxury, with its own beamed ceiling, wood accent wall, and designer finishes. All bathrooms throughout the home include Delta fixtures, under-cabinet lighting, and high-end tile selections.

Additional features include:

- 10' ceilings on every level
- Two laundry rooms for convenience
- Sierra Pacific FeelSafe hurricane-rated windows and sliders
