Detached Single Family

ROSEMARY BEACH, Rosemary Beach, FL

Designed by award-winning architect Tim McNamara, 87 Bridgetown Avenue is a rare large-format family retreat ideally positioned on one of the quietest and most desirable streets in Rosemary Beach. Thoughtfully designed for multigenerational living and effortless entertaining, this exceptional courtyard residence combines architectural character with the practical functionality rarely found in Rosemary Beach. Spanning approximately 4,380 square feet, the property offers expansive gathering spaces, multiple indoor and outdoor living areas, elevator access to all levels, and exceptional sleeping accommodations for large families and guests. The main residence features three spacious king suites with private en suite baths, each complemented by its own private balcony, creating peaceful retreats throughout the home. A second-floor bunk area provides additional accommodations ideal for children or overflow guests, while the inviting living and dining spaces are designed for comfortable long-term stays rather than simply weekend occupancy. The first-floor living area is further enhanced by a warm and inviting wood-burning fireplace. Encompassing the entire third floor, the luxurious approximately 1,251-square-foot primary suite serves as a true private retreat, offering exceptional scale, privacy, and comfort rarely found in Rosemary Beach. The suite provides an elevated owner experience while maintaining separation from the home's guest and family gathering areas,

and includes a spacious spa-inspired bath featuring a relaxing Jacuzzi soaking tub. Additional features of the primary suite include a private wet bar with mini refrigerator and a gas log fireplace, creating a peaceful and luxurious owner sanctuary. At the center of the home, the beautifully designed first-floor courtyard offers a private spa pool and inviting outdoor living space, creating an ideal setting for entertaining, relaxing after the beach, or enjoying quiet evenings with family and guests. The courtyard is anchored by an outdoor fireplace and a fully appointed outdoor kitchen featuring a Viking gas grill, sink, and mini refrigerator. Above the detached two-car garage, the carriage house creates a true private guest retreat with an additional king bedroom, bunk room, full bath, half bath, kitchenette, and its own private balcony--perfect for extended family, grandchildren, visiting guests, or private owner accommodations. One of the home's most valuable and increasingly rare features is its exceptional parking capacity. The property comfortably accommodates four private on-property parking spaces, including a two-car garage and two additional off-street spaces behind the garage, while also benefiting from unusually favorable street parking along quiet Bridgetown Avenue. Ideally situated near several of Rosemary Beach's most desirable owner amenities, the home enjoys close proximity to the Cabana Pool, the Owner's Pool, and the exclusive Owner's Pavilion--offering exceptional convenience for families, children, and guests while maintaining a peaceful and less congested setting within the community. The location also provides easy access to the Town Center, St. Augustine Green, shopping, dining, and the beach, creating an ideal balance of privacy, walkability, and resort-style living. Rich architectural details including Brazilian walnut hardwood flooring, pecky

cypress millwork, multiple porches, and beautifully integrated outdoor spaces further distinguish this exceptional property. Rarely does a Rosemary Beach home combine this level of scale, functionality, parking, flexibility, and family-oriented design in such a premier location.
