2 Bedroom, 2.00 Bathroom, 907 sqft
Condominium

SHORES OF PANAMA, Panama City Beach,
FL

Lowest Priced Unit in Shores of Panama!
Penthouse living above Panama City Beach's
most iconic resort pool, just steps from the
Gulf!

Perched on the top floor of Shores of Panama,
Unit 2311 offers a rare opportunity to own a
private, elevated coastal retreat in one of the
most recognizable beachfront communities
along the Emerald Coast.

From the moment you step inside, the
difference is immediate. With no neighbors
above, the penthouse position brings a sense
of quiet, privacy, and separation that's hard to
find in condo living. Natural light fills the space,
while the thoughtfully designed 2-bedroom,
2-bath layout creates a comfortable flow that
feels both functional and inviting.

This is the kind of property that makes
ownership easy. Whether you're escaping for
long weekends, spending extended time at the
beach, or simply looking for a place that
doesn't require constant upkeep, this condo
offers a low-maintenance lifestyle in a location
that keeps everything within reach.

And outside your door, the experience only
gets better.

Shores of Panama is known for its resort-style lagoon pool, tropical landscaping, and direct beachfront access, creating an environment that feels more like a vacation destination than a traditional condominium. From morning walks along the sugar-white sand to evenings spent enjoying the energy of Panama City Beach, everything you need is right here.

You're also perfectly positioned in the heart of it all, just moments from local dining, entertainment, and shopping, making it easy to enjoy the area without ever feeling removed from it.

For buyers watching the market, this is also an opportunity.

Properties that are well-located, easy to own, and ready to enjoy immediately are becoming increasingly desirable, especially as more buyers prioritize lifestyle, flexibility, and simplicity over heavy renovation or high-maintenance investments.

So, the question becomes:

Are you looking for a property to manage... or a place you'll actually use?

Because this one was clearly designed for the latter.
