FOUR MILE VILLAGE, Santa Rosa Beach, FL

Elevated one-and-a-half-acre homesite with sweeping Gulf and sunset views in the private community of Four Mile Village.

Located just one row off the Gulf, this exceptional lot offers expansive views of unspoiled beaches and the Gulf beyond. The property is surrounded by native vegetation and mature coastal plantings, providing a peaceful and private setting.

Four Mile Village is a quiet, established coastal community located just west of Sandestin's shopping and dining. Known for its preserved sand dunes, canopied oaks, and approximately 2,200 feet of low-density beachfront, the neighborhood was founded in 1976 with a focus on privacy, conservation, and long-term preservation. Situated within the 230-acre Coffeen Nature Preserve, the community supports protected wildlife, including white-tailed deer and gopher tortoises. Architectural guidelines and height restrictions are in place to maintain the natural character of the area and protect long-term Gulf views.
