MLS® #1010275

\$399,000

2 Bedroom, 2.00 Bathroom, 1,080 sqft
Manufactured Home on 0.29 Acres

n/a, Santa Rosa Beach, FL

Situated on two lots of record, this exceptionally well-maintained property offers a combination of comfortable living and serious storage that can be hard to find.

The standout feature is the approximately 1,400-square-foot detached storage building with two separate garage doors, providing an incredible amount of space for vehicles, boats, tools, equipment, a workshop, or business-related storage. For a contractor, tradesperson, hobbyist, or anyone tired of paying monthly storage fees, this space could be a game changer.

The home itself has been impeccably cared for, with thoughtful upgrades throughout, including oak flooring, upgraded cabinetry, an upgraded HVAC system, metal roof, and teak decking. Mature, manicured landscaping complements the property and reflects the same level of care found throughout the home.

Whether you're looking for a primary residence, investment opportunity, or simply a property with room for all the things that usually don't fit at home, this one offers flexibility that is increasingly difficult to find.
