STERLING SANDS CONDO, Destin, FL

You simply will not find a more beautiful condo in all of Destin. One of the few 3 bed, 2 bath units combines sweeping Gulf views, a beautifully updated interior, an impressive primary suite, and substantial recent improvements in one of Destin's most convenient Gulf-front locations. Immediately to the left is an expansive primary suite that feels like a private retreat, complete with its own dedicated HVAC system, separate water heater, and private patio access. A beautifully renovated bathroom, completed in July 2025, is a showpiece featuring a freestanding soaking tub, oversized walk-in shower with frameless glass, floor-to-ceiling tile, dual vanities, and contemporary fixtures. The main living area is bright, open, and designed around the view. Large windows and sliding glass doors bring the emerald waters of the Gulf directly into the living space. The open kitchen features stainless steel appliances, generous counter space, and a large peninsula that connects naturally to the dining and living areas. Step outside to the private Gulf-front balcony and enjoy a front-row view of Destin's white-sand beaches. Major recent improvements includes a new water heater serving the main living area installed in 2025, and new hurricane windows and doors. Whether the goal is a full-time residence, second home, or coastal investment property, this is a rare opportunity to own a beautifully updated three-bedroom Gulf-front condo in the heart of Destin.
