Detached Single Family on 2.58 Acres

GRANDVIEW HEIGHTS, Crestview, FL

The Farmhouse Estate Lifestyle provides a wonderfully unique and coveted warm family environment where you find yourself falling in love with your home over and over again. This 2025 partial remodel added bells and whistles. The Gathering Kitchen is a highlight whether having lunch with the family or the gathering spot for the entire extended family and friends during those special times and holidays when everyone is cooking or wants to be in the kitchen. Summers are special, and these 2.5 acres truly make this a home. You have a lofted 16x32' and powered shed. When you are home from RVing, park the RV on the 30 amp RV parking pad. The family will enjoy the uniqueness of fishing in the private pond fully stocked with (I seem to have misplaced what the pond is stocked with) and turtles. Those hot summer days will disappear with a cool drink and a dip in the 27 ft pool. This home is a wonderful lifestyle. Welcome Home!
