4 Bedroom, 3.00 Bathroom, 1,804 sqft

Detached Single Family on 0.27 Acres

N/A, Panama City, FL

Spacious 4-bedroom, 3-bath home with modern updates, open living spaces, and a versatile backyard building -- approximately 1,800 sq ft. Welcome to this well-maintained single-story home offering comfortable living and excellent flexibility. The open floor plan features a large living room that flows into the dining area and kitchen, creating an inviting space for everyday living and entertaining. The updated kitchen has dark cabinetry, a stylish mosaic tile backsplash, stainless-steel appliances and a convenient center island with butcher-block top. LVP flooring runs through the main living areas for easy maintenance and a clean, modern look. A dedicated laundry room and tankless water heater add practical efficiency. Four bedrooms provide plenty of space for family or guests. The primary and secondary bedrooms offer good natural light & closets. Three full bathrooms feature updated vanities, showers and clean, functional finishes. Step outside to the big backyard -- fully fenced with a grassy expanse perfect for play, pets, or outdoor gatherings. A large yard building offers outstanding versatility: use it as a workshop, extra storage, or convert it into an in-law suite. A metal roof provides durable, low-maintenance protection, and the great location adds everyday convenience. This home combines practical updates, generous square footage, and outdoor potential in one appealing package. Ideal for buyers seeking space, functionality, and room to grow.
