Situated in the heart of Destin's established business corridor, this +/-1,312SF commercial office condominium is located within a well-maintained professional office setting. The suite has been recently remodeled and is currently occupied by a regional staffing company. The property offers excellent accessibility via Airport Road and is in close proximity to US-98, Destin's primary east-west corridor. The surrounding area includes a dense mix of professional offices, medical users, retail, and hospitality, contributing to consistent daytime activity in a centralized, easily accessible location. Destin has a limited supply of small-format office space, making this a well-positioned suite within a sought-after submarket. The existing lease extends through May 2026, allowing flexibility for continued tenancy, renewal, or potential future owner occupancy. This office condominium features a functional layout in a strong location within one of Northwest Florida's most active coastal markets, supported by ongoing commercial activity and steady business demand in the Destin area.
