Adding to its allure are tasteful drapery, plantation shutters, and the convenience of a full laundry room with a brand new washer and dryer, an extra storage closet and a large climate controlled storage on the first floor of the building. Truly, this property lives like a "Home on the Beach". The Empress is a boutique, luxury gated community consisting of only 44 units located directly across from 2,000 feet of sugar white beaches and although 14 of the units are allowed to be vacation rentals, for most owners The Empress is a full time residence or second home. Other features that make The Empress so desirable are the semi private elevators that open into a foyer shared by only you and 1 neighbor, large climate controlled storage for each owner, a more private pool and hot tub overlooking the lake and fitness room, HALO water system, fiber optics cable, full time maintenance staff, security, and the famous Whales Tail beachfront restaurant within a block for food and beverages on the beach. Walk out the door to the beach or pool, relax on one of your 2 balconies, or experience the great entertainment, shopping and restaurants all within a short distance. Now is the time to make your dream of living at the beach a reality.
