\$2,200

1 Bedroom, 1.00 Bathroom, 837 sqft
Condominium

Pinewood 30A, Santa Rosa Beach, FL

Welcome to modern coastal living in this beautifully furnished, top-floor condo, newly built in 2022 and now available for its first long-term resident! Available September 3, 2026, this thoughtfully maintained property offers a wonderful last-minute leasing opportunity for a six-month, nine-month, or one-year agreement.

Previously rented in the past for \$3,250 per month, this condo is now being offered at an "exceptional value" for a qualified long-term tenant.

The home comes fully furnished with high-quality pieces from Pottery Barn, Lola's on 30A, Purple Mattress, and other carefully selected brands. Real wood furniture, comfortable seating, light coastal colors, and stylish finishes make the entire space feel welcoming from the moment you arrive.

The spacious primary bedroom includes an additional sitting area, an oversized walk-in closet, and a beautifully appointed bathroom featuring a deep soaking tub and separate tiled shower. The living room offers a comfortable white sleeper sofa, allowing the condo to accommodate up to four people when needed.

The kitchen features stainless-steel

appliances, four high-top barstools, generous cabinet space, and fully stocked cookware and kitchen essentials. Coastal-style LVP flooring flows throughout the entire unit--there is no carpet anywhere. A stackable washer and dryer are also conveniently located inside the condo. Situated on the top floor of Building 3, the unit is easily accessible by elevator and includes a private balcony furnished with chairs and a table. Enjoy refreshing coastal breezes while living approximately 1.5 miles from the beach, with local shops and restaurants just a short bike ride away. The building is tucked into a quieter back corner of the community, offering added privacy, and even the interior hallways have a clean, modern appearance.

Just a few buildings away, residents can enjoy the community fitness center, large swimming pool, spacious lounge area, and relaxing hot tub. Water, sewer, garbage, internet, community amenities, and elevator access are all included in the monthly rent. The tenant is responsible only for electricity, which has historically been quite affordable. Replacement air-conditioning filters will also be provided for added convenience.

This is a strictly non-smoking unit, and burning candles will not be permitted. Essential oils, diffusers, plug-ins, and flameless candles are welcome and appreciated as safe alternatives.

This is a one-owner property that has been carefully maintained, furnished, and prepared with quality in mind. The REALTOR® is also the property owner; full disclosure. The selected tenant may also be given an opportunity to purchase the condo in 2027 before it is offered to the public.

Only the first month's rent and security deposit are required. Pets may be considered

individually based on the animal, breed, size, and circumstances. No pets have previously occupied the unit.

The condo is clean and available now. Showings are offered by appointment, with three to four hours' notice or next-day scheduling appreciated. For additional information or to arrange a private showing, please contact the owner directly.
