Bocage, Other, AL

200 Asphodel Dr Dothan, AL 36303. This magnificent Mediterranean-style estate offers a resort-like lifestyle on 1.4 acres without ever having to leave home. Offering 11 Bedrooms and 7 Bathrooms, it seamlessly combines luxury, entertainment, wellness, and privacy, creating a home that is equally suited for everyday living and unforgettable gatherings. The walk-out lower level has functioned like a second residence, complete with its own full kitchen, theater, fitness room, sauna, dining area, private patio, and separate entrance--ideal for guests, extended family, or multi-generational living.

Our ENCO home theater has been the centerpiece for countless movie nights and sporting events, while the spacious Florida Room recreation wing provides incredible flexibility for entertaining, family activities, and large celebrations. Integrated smart-home displays throughout the home make it easy to play music, communicate between rooms, answer the front door, and control lighting, security, and other home features from multiple locations. The primary suite has always felt like a private spa retreat, featuring custom California Closets, a luxurious steam shower, Jacuzzi waterfall soaking tub, and direct patio access. Nearly 12-foot privacy hedges surrounding the property create a peaceful, secluded setting rarely found. One of the home's most distinctive features is the spectacular custom 500-gallon saltwater aquarium, designed and built by the team from

the television show Tanked. Enhanced with more than \$50,000 in upgrades and a custom real reef design, it serves as a stunning focal point unlike anything else. The detached outbuilding with running water offers exceptional flexibility and future potential as a guest house, home office, art studio, workshop, or pool house.

The location has been another favorite feature--directly across from the Robert Trent Jones Golf Trail, just minutes from the airport with convenient nonstop flights to Atlanta, and approximately 90 minutes from the white-sand beaches of Destin and Panama City Beach. Above all, this home has provided the perfect balance of luxury, comfort, privacy, and recreation, making every day feel like a vacation.
