Perfectly positioned between Alys Beach and
Rosemary Beach on an extra-wide home site,
this beautifully designed home offers over
3,000 square feet of living space, oversized
rooms throughout, sleeping accommodations
for large groups, and more than 1,500 square
feet of porches and balconies built for
memorable beach stays and exceptional guest
appeal. Location is everything...Directly in front
of the home, the palm-lined pathway leads
straight to Seacrest's amenity core, including
the newly added Town Hall/community hub,
the 12,000-square-foot lagoon pool, and on
toward the deeded beach access. In the back,
is a preserve with wooded trails lead toward
Alys Beach and Rosemary Beach, giving this
property a rare combination of privacy and
walkability that is incredibly hard to duplicate in

Seacrest. The tram stop is right at the front door, so guests have effortless access to the beach, pool, shopping, dining, and everything that makes this stretch of 30A so special.

Inside, the home is designed to impress both owners and renters, with a large open living area, one of the biggest kitchen islands you will see in Seacrest, commercial-grade appliances including a 6-burner gas range, designer finishes, multiple king suites, a fun bunk/game retreat, ensuite baths, two laundry areas, and easy parking for up to 8 vehicles. The outdoor living is just as strong, with expansive covered porches, a built-in grill area, peaceful wooded views, and a hot tub that adds even more appeal for owners and vacation guests alike.

WHAT TRULY SETS THIS PROPERTY APART IS THAT THE BUSINESS SIDE IS ALREADY BUILT. THE HOME HAS A STRONG PRESENCE ON AIRBNB, VRBO, AND DIRECT BOOKING CHANNELS. THE SALE INCLUDES THE PROPERTY'S BRANDED WEBSITE AND MARKETING ASSETS:
