This home has 2,300+ square feet of thoughtfully laid-out space across 3 bedrooms, 2 baths, and a dedicated office. What sets this home apart are the ceiling details. Nine-foot ceilings throughout, 12-foot tray ceilings in the living and dining rooms, a 10-foot tray ceiling in the primary bedroom, and a vaulted 12-foot ceiling in the office. The result is an open, light-filled feeling from the moment you walk through the door.

The water heater and HVAC are both just one year old, and the HVAC includes an upgraded air cleaner for fresher, healthier air year-round. The home also comes with an assumable termite protection plan that transfers with the keys.

Granite countertops run through both the kitchen and bathrooms for a clean, consistent finish.

Step out back to a fully equipped outdoor retreat: a screened-in porch for bug-free mornings, a paver pergola for evening entertaining, and a storage shed to keep the garage clear.

Homes with this much already done don't stay on the market long; schedule your showing today!
