4 Bedroom, 2.00 Bathroom, 2,111 sqft

Duplex - All Units

CRESCENT HEIGHTS, Crestview, FL

Multiple Offers. Highest and best due by 12:00pm Thursday September 10th. Looking to add income-producing real estate to your portfolio? This well-positioned duplex in Crestview is an excellent opportunity for investors seeking immediate rental income and the potential to build scale in one purchase.

Both sides of this duplex are currently rented, offering an investor the benefit of established occupancy from day one. Even better, this property is being offered as part of a three-duplex portfolio, with all three duplexes being sold together for a combined list price of \$775,000. The other duplexes are MLS 1011292 and 1011295.

The portfolio must be purchased in its entirety and will not be separated, making this a great opportunity for an investor looking to acquire multiple income-producing units at once rather than piecing together a portfolio one property at a time.

With six total units across three duplexes, this offering provides diversification, existing rental income, and an opportunity to expand your investment holdings with one transaction.

Whether you're a seasoned investor looking to grow your portfolio or you're ready to take the next step into multifamily investing, this Crestview portfolio deserves a closer look.

Three duplexes. Six units. One opportunity to grow.
