Detached Single Family on 0.49 Acres

NO RECORDED SUBDIVISION, Crestview, FL

Renovated, move-in ready, and situated on a spacious half-acre lot! Welcome to 3025 Stillwell Blvd, a beautifully refreshed 3-bedroom, 2-bath home offering 1,648 +/- square feet of living space with a huge bonus room that provides endless possibilities. Originally built in 1976, this home has been extensively renovated from top to bottom, creating a fresh, modern feel while maintaining the charm of an established property. The interior features a clean black-and-white design throughout, complemented by warm stained butcher block countertops in the kitchen. Updates include new interior paint, new flooring, new butcher block countertops, a new kitchen sink, and extensive renovations throughout the home. The spacious primary bedroom features a walk-in closet, while the additional bedrooms offer plenty of room for family, guests, or a home office. The oversized bonus room is one of the home's most versatile features and could easily serve as a fourth bedroom, media room, game room, home office, playroom, or additional living space.

Outside, the 0.5-acre lot provides plenty of room to enjoy the outdoors, entertain, garden, create a play area, or simply enjoy the extra space that is increasingly hard to find. Some photos are digitally staged
