4 Bedroom, 5.00 Bathroom, 3,045 sqft

Detached Single Family

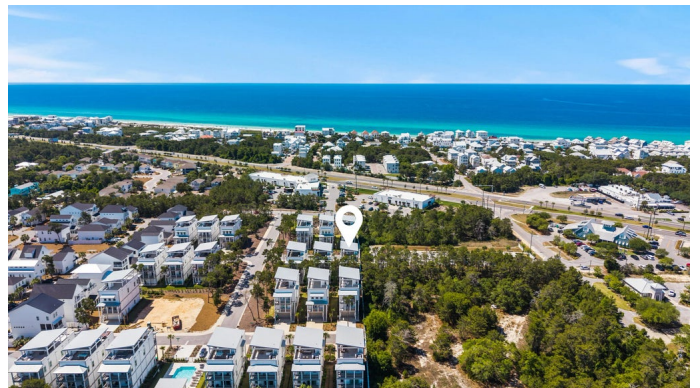

TWIN PALMS, Inlet Beach, FL

Tucked within the Twin Palms enclave of Inlet Beach, 34 Majestic Palm offers Gulf views and a refined take on coastal living with a layout designed to balance comfort, flexibility, and long term value.

Spanning three stories and topped with a full roof deck, this Brock Built residence features four bedrooms and four and a half baths, along with a dedicated office that allows the home to adapt to both extended stays and remote work. The design leans into functionality without sacrificing scale, creating a property that works just as well as a private retreat as it does in a rental capacity.

The main living level is centered around connection. An open kitchen, dining, and living space is filled with natural light, framed by clean finishes and a coastal palette that feels relaxed yet intentional. The flow is easy, designed for gathering without feeling overdone, whether hosting guests or settling into a quieter pace.

Each bedroom is positioned with privacy in mind. A first floor suite offers convenience and separation, while three additional suites on the third level create a sense of retreat for family and guests. Every space is paired with its own bath, reinforcing comfort across the home. The third floor also offers Gulf views, always beckoning you back to the beach.

At the top level, the experience shifts. The rooftop terrace stretches wide, offering Gulf views that elevate the entire property. It is an open, expansive setting that captures both light and perspective, creating a natural extension of the home that feels equally suited for entertaining or unwinding at the end of the day.

Practicality is woven throughout. An oversized garage provides space for both vehicles and a golf cart, making it easy to navigate to 30A, the beach, and nearby dining and shopping without relying on a car. Ample storage space makes guest stays easy with plenty of storage still available for lockable owner access.

For those thinking beyond a single property, the opportunity becomes even more compelling. The same ownership is offering 28 W Queen Palm just one street over, creating a rare chance to secure two homes within the same neighborhood, a strategy that is increasingly difficult to replicate along 30A.

34 Majestic Palm delivers a strong combination of layout, location, and livability. In a part of Inlet Beach where access and usability continue to drive demand, it stands as a thoughtful option for both personal enjoyment and long term investment.
