Detached Single Family on 0.72 Acres

DRIFTWOOD ESTATES, Santa Rosa Beach, FL

Set along 122 feet of bayfront, this exceptional custom residence brings together refined craftsmanship, scale and an extraordinary waterfront setting. Expansive windows capture sweeping bay views, while oversized glass sliders open the living spaces to outdoor areas designed for entertaining. The home offers five bedrooms, each with a private en-suite bath, plus a powder room and dedicated pool bath. Italian marble, natural stone, custom glass tile, wide-plank wood floors, statement lighting, natural wood ceilings and beams, custom cabinetry and thoughtfully designed closets elevate the interiors. The chef's kitchen features commercial-grade appliances, built-in and wine refrigeration, an ice maker, quartz countertops and an oversized island. A resort-style pool and spa overlook the bay from a shell-stone terrace surrounded by mature palms and custom landscaping. The covered porch includes an outdoor fireplace, summer kitchen and electric screens, while a five-person sauna adds a private wellness amenity. Beyond the pool, a private sandy beach, waterfront fire pit and seating area meet the water's edge. An existing seawall and room for a future dock make boating part of daily life. Upstairs, covered terraces capture the views alongside a theater, full gym and secondary laundry room. Home automation, custom electric shades, a generator, tile roof and three-car, climate-controlled finished garage with metallic-flake epoxy floor
