5921 Jack Stokes Rd -- Charming Updated  
Farmhouse on 1.10 Acres

- A beautifully reimagined farmhouse where timeless character meets true peace of mind. Originally built in 1939 and thoughtfully updated throughout, this three-bedroom charmer sits on a level, 1.10-acre lot shaded by mature trees -- and all the big-ticket work is already done. New electrical panels and HVAC (2020), a complete re-pipe (2020), a 2021 water heater, and a durable metal roof mean you can simply move in and enjoy. Stainless appliances (2020-2021) and a brand-new 2023 stove round out the list.

Step inside to a warm, light-filled living space with gorgeous flooring underfoot and distinctive wood-plank ceilings that add rustic character overhead. The massive living room is anchored by a semi-built-in fireplace framed in classic board-and-batten -- the kind of inviting centerpiece you'll gather around on cool evenings -- while the adjoining dining room offers ample room for holiday dinners and easy entertaining. Slide open the signature barn-style door and step into a kitchen that's as functional as it is beautiful: rich granite countertops, a center island, generous storage, crisp updated cabinetry, a classic subway-tile backsplash, and gleaming stainless appliances make every meal a joy to prepare. The primary bedroom and two additional bedrooms provide restful retreats,

while the updated bath adds a touch of everyday luxury with its spa-like tiled shower and new vanity. One of the home's most delightful surprises is the bright, sun-drenched bonus room -- a cheerful, light-filled space. Picture yourself savoring your first cup of coffee as the day breaks, curling up with a good book on a lazy afternoon, or nurturing a collection of thriving houseplants in the glow. Whether you envision a sunny home office, a peaceful reading retreat, a playroom, or simply a quiet spot to unwind, this inviting room adapts effortlessly to the way you live. A large walk-in laundry room adds everyday convenience.

But the true magic is outside. From the covered back deck, take in a breathtaking view of the manicured, park-like backyard. Gather fresh eggs from the chicken coop, unwind at the firepit ringed with built-in swings beneath a starry sky, and enjoy wide-open space to roam, garden, and explore -- with a sandbox and play area already in place and endless room to make memories under the open sky. A huge pole barn and large shed offer endless storage for tools, toys, and equipment, while the covered front porch invites you to slow down with a glass of sweet tea and simply enjoy the quiet.

More than a house, this is a lifestyle of comfort, sustainability, and room to breathe. Homes with this rare blend of historic charm, modern updates, and outdoor living don't last long -- call today for more information and to schedule your private showing, and come see why this one feels like home.
