\$350,000

3 Bedroom, 2.00 Bathroom, 1,120 sqft
Detached Single Family on 0.46 Acres

HOLLEY BY THE SEA, Navarre, FL

This one has come a LONG way. Like... a long way.

What was once the house you probably would have driven right past has been completely redone--and she cleaned up GOOD.

New roof, new windows, new siding, new flooring, new fixtures, new vanities, new showers...the list keeps going. The kitchen got the full treatment too with new cabinets, countertops and stainless steel appliances.

Basically, the ugly stuff is gone and the expensive stuff is already done.

No "we'll eventually get around to that." No inheriting somebody else's 1997 DIY project. No spending your first six months with a contractor living in your driveway.

Just a really good-looking, completely refreshed house that's ready for somebody new.

She may have started out a little questionable, but everybody loves a good comeback story.

Come see this one in person. The glow-up is legit.

Built in 1985
