SANDPIPER VILLAGE CONDO, Miramar
Beach, FL

Detached single-story condo that truly lives like a private home -- without the exterior maintenance. Never rented and completely transformed in 2022, this beautifully redesigned residence showcases new windows, a custom kitchen, all-tile flooring, plantation shutters, light fixtures, shiplap ceilings, and thoughtful upgrades throughout. The original floorplan has been modified and expanded to create an exceptional open-concept living space with immediate "wow" appeal upon entry. The stunning kitchen serves as the centerpiece, featuring contrasting blue/white custom cabinetry, designer backsplash, sleek white quartz countertops, and a spacious island with breakfast bar and farmhouse sink. New water heater, hvac and roof! Ideally positioned along the 10th fairway of The Links golf course. The home enjoys peaceful golf course views and added privacy. A large paved back patio framed by mature privacy hedges creates the perfect outdoor setting for entertaining or relaxing after a day on the course or beach. Storage is abundant with multiple interior linen, coat, and multipurpose closets, a custom pantry, and a convenient exterior storage closet ideal for beach gear and bikes.

Located in Sandpiper Village on the bayside of Sandestin Golf and Beach Resort, this property is also near the Linkside Conference Center and the Sandestin Fitness Center.
